ABOUT E-IFTA!

Elementary Institute for the Arts is a weekly enrichment program offered for four weeks during the month of July. Students explore Art, Music, Theatre, and Dance courses with different themes that are relevant to student culture and interests. Every week there are different themes for each class. Some examples of previous themes were World Drumming Fun, UKE Can Do It!, Move & Groove, Seuss it Up, It's a Rap! and many more.

Do you know a young person who loves art, or music, or acting and dancing? Often times during the school year elective courses are the highlight of a student's day! Having the opportunity to be immersed in the arts for the entire day is a dream!

Arts experiences increase critical thinking, teaching students to take the time to be more careful and thorough in how they observe the world.

The arts provide challenges for learners at all levels.

Arts education connects students with their own culture as well as with the wider world.

Each summer students from all over Northern Virginia come together for this experience broadening their lens of Arts Education while being exposed to students from other life backgrounds.

One E-IFTA family had this to share about our program, "We are truly happy that we found this program; my children enjoy it every day and have learned so much - not only in terms of the "art skills" but also in their confidence, independence, value of the arts, and so much more!" I hope next summer you consider sending your own children to IFTA or telling a friend about us!
